

DOUGLAS PARK PLAYGROUND RECONSTRUCTION PROJECT: ONLINE SURVEY#2

Thank you to everyone for your support of the **Douglas Park Playground Reconstruction Project** funded by the Los Angeles County Regional Park and Open Space District!

To date, we have received 400+ online survey responses with an additional 150+ responses from the users - the children - courtesy of a survey done at the Summer Adventure Day Camp.

Please go to project website to see results of the surveys and FAQ:
<https://www.santamonica.gov/douglas-park-playground-reconstruction-project>

As we plan Community Event #2 and a playground opening in Fall/Winter 2025, we'd like to continue to hear your thoughts centered on feedback we heard thus far.

Wanting to maximize play area, maintain or relocate existing trees, and promote sight lines, the below diagram represents the base framework of the proposed playground.

1. Please select your zipcode:

- 90403
- 90404
- 90402
- 90401
- 90405
- other

2. "Nature" was the theme that resonated most with outreach participants., Please select the composition that resonates most with you.

A)

B)

C)

D)

3. Considering "nature" resonated most with participants, which color palette resonates most with you?

Palette **BF**

A)

Palette **AI**

B)

Palette **AT**

C)

Palette **CB**

D)

4. "Slides" was one of the top 3 favorite play opportunities that exist within the current playground. What slide opportunity resonates most with you?

A)

B)

C)

D)

5. "Climbing" was one of the top 3 favorite play opportunities that exist within the current playground. What climbing opportunity resonates most with you?

A)

B)

C)

D)

E)

F)

6. "Swings" was one of the top 3 favorite play opportunities that exist within the current playground. What swing opportunity resonates most with you?

A)

B)

C)

D)
