

**City Manager's Office / Office of Emergency Management**

February 10, 2025

To Whom It May Concern:

The City of Santa Monica issued the following evacuation zones in response to the Palisades Fire in the Pacific Palisades neighborhood of western Los Angeles. Pacific Palisades is the community directly north of Santa Monica and was under an evacuation order from noon on January 7, 2025 until noon on January 17, 2025.

Evacuation zones were implemented by the City of Santa Monica's Emergency Operations Center, under the direction of the Santa Monica Police Department, Santa Monica Fire Department, and Office of Emergency Management, and in consultation with the Cal Fire Incident Management Team and Los Angeles County Office of Emergency Management. Evacuation decisions were based on fire spread to the south towards the Los Angeles/Santa Monica border, the location of spot fires, and Red Flag Warning weather conditions. Evacuation order and warning notifications were distributed by Wireless Emergency Alert, the City's SMAAlerts mass notification platform and via the City's social media, website, and other communications platforms.

Incident information including the City's emergency proclamation and related evacuation press releases can be found at [www.santamonica.gov/topic-explainers/palisades-fire](http://www.santamonica.gov/topic-explainers/palisades-fire)

See page 2 for geographic boundaries, impacted Santa Monica zones and map for the Palisades Fire evacuations.

Sincerely,

A handwritten signature in black ink that reads "Lindsay B. Call". The signature is written in a cursive, flowing style.

Lindsay Call  
Chief Resilience Officer/Emergency Operations Center Director
