

SAFE ROUTES TO SCHOOL PEDESTRIAN IMPROVEMENTS – CURB RAMP IMPROVEMENTS

Dear Neighbor,

The City of Santa Monica has contracted with Environmental Construction Inc for the safe routes to school pedestrian improvements project. The project will replace the existing curb ramp near your property with an enhanced version to improve pedestrian access to nearby Franklin Elementary School.

Construction is anticipated to start in November 2024. Secondary notices will be provided at least 2 weeks prior to start of construction.

For the most up-to-date information for the project, please visit the City's webpage at <https://www.santamonica.gov/mobility-projects/pedestrian-improvements-at-six-schools>.
