## **Santa Monica Housing Authority (SMHA) 5-Year Plan Progress Report**

Below are the goals and objectives identified in the SMHA 5-year Plan. The 5-year Plan was approved by the Housing Authority Board on October 13, 2020.

- **Goal:** Expand access to Permanent Supportive Housing (PSH) by attaching project-based vouchers to PSH apartments.  
**Progress:** One supportive housing development targeting persons experiencing homelessness has received its City housing trust fund financing commitment, State of California Tax Credit Allocation Committee funding commitment, and land use and design approvals, and is currently in construction with an anticipated completion in 2023. The SMHA has allocated 57 project-based vouchers to this development. Another development targeting young adults at risk of homelessness or experiencing housing insecurity is in the predevelopment stage, has received some funding commitments, and staff will be finalizing a housing trust fund commitment from the City in 2023. The SMHA intends to allocate approximately 13 project-based vouchers to this development.
- **Goal:** Increase voucher applicant diversity by outreaching to the Santa Monica workforce with the goal of reaching employees who work 25 hours a week or more in Santa Monica.  
**Progress:** A significant amount of voucher applicants continues to be households in the Santa Monica workforce. The most recent data from 2021 indicates that almost  $\frac{3}{4}$  of applicants pulled from the waitlist (444 out of 600) work 25 hours a week or more in Santa Monica. Additional tenant-based Housing Choice vouchers (also known as Section 8 vouchers) were not issued during 2022 due to limitations in the SMHA's federally-allocated rental assistance budget.
- **Goal:** Apply for mainstream vouchers, as they are available, to assist non-elderly persons living with disabilities.  
**Progress:** No updates to report. Note, that in 2021 the SMHA was allocated 104 Emergency Housing Vouchers by the federal department of Housing and Urban Development, which prioritizes people experiencing homelessness, many of whom are living with disabilities.
- **Goal:** Continue to serve veterans and individuals experiencing homelessness by applying for Veterans Affairs Supportive Housing (VASH) and Continuum of Care vouchers, as they are available.  
**Progress:** SMHA has 35 VASH vouchers, 20 of which were awarded on 2/1/2020. Twenty of the vouchers are being utilized, and SMHA relies on the Veterans Administration to connect veterans to available vouchers. Additionally, the SMHA achieved a highpoint of 250 lease-up Continuum of Care vouchers during 2022.
- **Goal:** Reduce barriers to housing by establishing a funding source to provide insurance to property owners who lease apartments to voucher holders with poor credit.  
**Progress:** No updates to report.

- **Goal:** Explore options for outsourcing annual eligibility recertification work and shift staff focus to new admissions with the goal of fully utilizing the PHA's budget authority and maintaining program quality.

**Progress:**

- SMHA contracted with Nan McKay (NMA) to conduct 500 annual recertifications, which were completed during 2021. This assisted the SMHA with handling an increased workload due to pandemic-related income loss affecting households and the associated interim reexaminations, which result in lowering tenants' portion of rent. SMHA also expanded the contract with NMA to include eligibility determination for 300 waitlist applicants, which was completed in December 2021 and resulted in the issuance of more than 100 vouchers to new program participants.
- SMHA achieved a historic voucher utilization highpoint during 2022 of 1,366 Housing Choice Vouchers.
- **Goal:** Establish relationships with agencies that provide volunteer opportunities and employment services to assist participants who are unemployed or underemployed.
- **Goal:** Expand opportunities to apply for housing by opening waitlists for the Housing Choice Voucher (HCV), Affordable Housing, and Preserving Our Diversity (POD) programs and keeping them open continuously.

**Progress:**

- On May 1, 2020, SMHA opened waitlists for the HCV program. As of this report the HCV waitlist has more than 26,000 applicants.
- On May 1, 2020, the Below Market Housing (BMH) program waitlist opened. As of this report, the BMH waitlist has more than 10,500 applicants.
- The city continues to conduct outreach for the POD program to increase awareness and enrollment. The POD program provides cash assistance to very low-income seniors in rent-controlled apartments to prevent displacement. As of this report, the POD program has 201 participants receiving an average of \$500 in monthly cash assistance.
- **Goal:** Maintain housing of low-income households by using available resources to prevent homelessness and support well-being of participants.

**Progress:**

- During 2022, staff was able to increase the HOME voucher program to assist 19 new households and achieved a highpoint of 52 households assisted. the HOME voucher program prioritizes residents who are at risk of losing their housing due to rent burden and other factors.  
Beginning in October 2022 and continuing through 2023, approximately 191 voucher households are/will be receiving City rental assistance to reduce severe rent burden resulting from annual rent increases.
- During 2021, the rehabilitation of a residential rental property containing 30 apartments and serving mostly low-income households, many of whom are in voucher programs, was also completed in 2021.

- **Goal:** Coordinate with Human Services and service providers to prevent eviction and displacement.

**Progress:**

- Santa Monica's eviction prevention efforts include an ordinance that requires landlords to report all eviction attempts and a Right to Counsel program that helps fund a local legal services office's attempt to make sure that every low-income family has an attorney in their eviction case. The City has also passed tenant protection laws and funded enforcement programs that protect key protected classes such as tenants with disabilities.
  - As of July 2020, the city's Housing and Human Services divisions have merged into one division for improved coordination and service delivery. SMHA staff are embedded into the city's Housing and Human Services Division and work closely with other city departments (City Attorney's office, Code Enforcement, Rent Control) to prevent eviction and displacement.
  - The City provides funding to the Legal Aid Foundation of Los Angeles, which has an office in Santa Monica and represents low-income Santa Monica residents who face possible eviction and displacement.
  - The City provides funding to various social service providers, such as Wise and Healthy Aging, St. Joseph Service Center, Step Up On Second, and The People Concern, who provide supportive services to low-income residents to assist in preventing eviction and displacement.
- **Goal:** Conduct extensive marketing of the programs and provide education that reduces the stigma of needs-based programs.  
**Progress:** No updates to report.
  - **Goal:** Develop a client-focused customer service policy.  
**Progress:** No updates to report.
  - **Goal:** Increase community integration for persons with disabilities  
**Progress:**
    - On May 1, 2020 the BMH program waitlist opened, which seeks information regarding accommodations for applicants living with disabilities, and then matches applicants to affordable housing opportunities which can meet the applicant needs.
    - SMHA supports community integration of persons with disabilities by referring voucher households to the City Attorney's Office's Consumer Protection Unit (CPU), which provides the Santa Monica community with a three-prong approach to eliminating housing discrimination against persons with disabilities: 1) Investigating fair housing complaints; 2) Providing public education with workshops about housing rights and responsibilities, newspapers articles, webpages, and then information by phone or email; and 3) Advising the City Council whether new legal protections might be needed. Regarding the first prong, for those investigations that show fair housing violations, then the CPU's deputy city attorneys help resolve those informally or through litigation.

- **Goal:** Promote civic engagement of recipients  
**Progress:** SMHA directly contacts all voucher program recipients one or more times annually and encourages participation in revising and updating voucher administration policy, including opportunities for engaging with the Housing Commission and the City Council.
- **Goal:** Reduce barriers to housing by increasing total supply of housing for voucher holders to potentially access.  
**Progress:** During 2021 and 2022, three City-funded affordable housing developments totaling 116 apartments were completed, which provided new opportunities for voucher holders. Additionally, three more City-funded affordable housing developments totaling 179 apartments are anticipated for completion during 2023 which will also provide new opportunities for voucher holders. Furthermore, 67 affordable apartments within otherwise market-rate buildings created pursuant to zoning policies (known as inclusionary housing) were completed during 2021 and 2022, and an additional 20 affordable inclusionary apartments are scheduled for completion in 2023.
