

NOTICE

Concrete Sidewalk Repairs on Main Street Between Pico Boulevard and Marine Court

Start Date: June 10, 2024 through August 2024

Locations: At the various locations listed below

Work Hours: Monday through Friday, between 8am and 5pm

Dear Neighbor,

The City of Santa Monica has hired Sully-Miller Contracting Co. to repair various sidewalks, curbs, gutters, and driveway aprons at the locations indicated on the table below. The Contractor is set to start removal and replacement activities on Monday, June 10, 2024, and expected to complete work in August 2024. Any concrete that is removed will be restored by Friday of the same week. Full driveway access will be maintained. Please contact Gene Higginbotham for any specific arrangements or concerns about your location at (310) 754-5191 or gene.higginbotham@psomas.com

During construction, sidewalk access will be limited and temporary warning signs will be posted directing pedestrians to a safe route. Construction vehicles will also occupy parking spaces as needed. Temporary "No Parking" signs will be displayed beforehand.

It is important for public safety that everyone complies with all construction, traffic and parking signs placed near construction areas. All other parking restrictions will be strictly enforced including street sweeping. Trash service in the area and bus routes will not be impacted by the construction activities. Dates are subject to change due to weather. Should the schedule change, temporary "NO PARKING" signs with revised dates will be posted. Work hours are between 8:00 AM and 5:00 PM, Monday through Friday.

Schedule changes and project updates can be found on the project website: <https://www.santamonica.gov/annual-paving-and-sidewalk-repair-project>
