

**Cloverfield Boulevard Recycled Water
Pipeline Installation Project
Start of Day Time Construction for Phases 3, 4, 5, and 6
Expect Traffic Delays**

Estimated Duration: February 12th, 2024, to March 15th, 2024, (2 Months) for Phases 3, 4, 5, and 6.
Location: Day Time Work: Cloverfield Boulevard from Colorado Avenue to Santa Monica Boulevard
Description: Installation of new recycled water pipeline and Street restoration
Work Hours: 8:00AM to 6:00PM

Dear Neighbors:

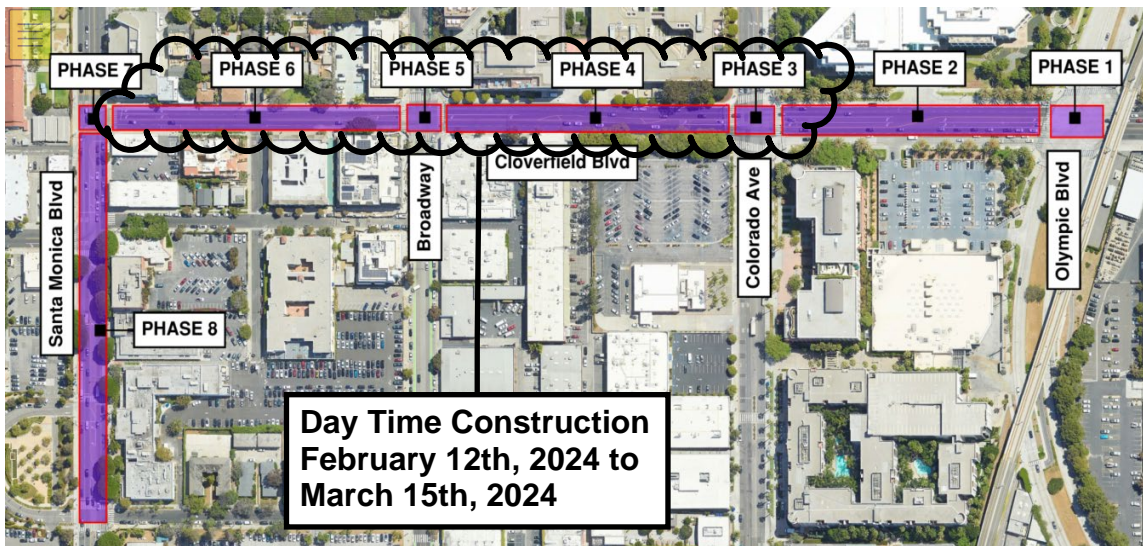

The City of Santa Monica has contracted with Blois Construction, to install a new recycled water pipeline and expand the recycled water distribution system in the City.

The construction and lane closures will occur on:

- February 12th, 2024, - February 14th, 2024 - Cloverfield Boulevard from Colorado Avenue to Broadway during the day from 8:00AM to 6:00PM for street paving operations (Phase 3 and 4)
- February 14th, 2024, - March 15th, 2024 - Cloverfield Boulevard from Broadway to Santa Monica Boulevard during the day from 8:00AM to 6:00PM for main pipe installation and restoration of street (Phase 5 and 6)

Construction is entering day phase of the project and is expected to start February 12th, 2024, and last approximately 2 months through March 2024. Phases 3, 4, 5 and 6 shown below.

There will be traffic, detours, lane closures and parking impacts and the operation of heavy equipment necessary to construct this project will create intermittent loud noise. Please note that the start and completion times/dates of the construction may change due to unforeseen conditions and weather.

For most up to date work schedule and closures, please refer to the project website:
