

NOTICE

Streetlight Modernization Program Package 3

On 25th Street and 24th Street between Ocean Park Blvd. and Pearl St.

Expect Temporary Parking Restrictions and Sidewalk Closures

Estimated Duration: April 29th 2024 – June 14th, 2024

Location: 25th Street and 24th Street between Ocean Park Place North and Pearl Street,

Description: Streetlight Modernization, Conversion From High Voltage to Energy-Efficient LED Lighting

Work Hours: 8:00AM to 6:00PM

Dear Neighbors:

The City of Santa Monica has contracted with International Line Builders (ILB) to covert deteriorated high voltage streetlights to energy-efficient LED streetlights on 25th St. and 24th St. between Ocean Park Blvd. and Pearl St. This work includes installation of new small size electrical conduit and replacing existing streetlight fixtures with new LED type fixtures. **Construction is expected to start April 29th 2024 and last approximately until June 14th, 2024. Work areas are shown below.**

During the construction, temporary street parking closures and sidewalks closures will occur. Safety barricades and signage will be provided at work locations. Driveway and building accesses will be maintained. Traffic flow will be maintained. Residential and commercial power service will be uninterrupted and maintained during the project. Power service for street lighting is isolated from residential and commercial power services.

The operation of heavy equipment necessary to construct this project will create intermittent loud noise. Please note that the start and completion times/dates of the construction may change due to unforeseen conditions and weather.

For most up to date work schedule and closures, please refer to the project website:

We understand this process is inconvenient and we will make every effort to minimize any inconvenience that this work may cause. Please contact the Construction Manager or Inspector, at the phone number provided below if you have any specific concerns or questions.

Thank you in advance for your patience and understanding.
