

NOTICE

Recycled Water Pipeline Installation Project Day Time Construction for Phase 8 Expect Traffic Delays – June 24th thru June 28th

Estimated Duration: June 24 thru June 28
Location: Santa Monica Blvd from Cloverfield Boulevard to 21st Street
Description: Installation of new recycled water pipeline and Street restoration
Work Hours: 8:00AM to 6:00PM

Dear Neighbors:

The City of Santa Monica has contracted with Blois Construction, to install a new recycled water pipeline and expand the recycled water distribution system in the City.

The construction and lane closures will occur on:

- Santa Monica Boulevard between Cloverfield Boulevard and 21st Street between the hours of 8:00 AM to 6:00 PM. Monday through Friday

There will be traffic, detours, lane closures and parking impacts and the operation of heavy equipment necessary to construct this project will create intermittent loud noise. Please note that the start and completion times/dates of the construction may change due to unforeseen conditions and weather.

For most up to date work schedule and closures, please refer to the project website:

<https://www.santamonica.gov/recycled-water-pipeline-project>

We understand this process is inconvenient and will make every effort to minimize any inconvenience that this work may cause. Please contact the Construction Manager or Inspector, at the phone number provided below if you have any specific concerns or questions. Thank you in advance for your patience and understanding.
